Flystrike Management – Calendar of activities

I have completed an annual plan and documented the risk periods and areas of activities that cover the expected and unexpected flystrike issues.

Name: …….…….. Property: …….…….Signature: ……..……..……

Group of sheep: _____

1. Firstly fill in the shearing and crutching time followed by the risk period.
2. Risk - Indicate High (H), Medium (M), Low (L) or blank (no risk) for each week period. An arrow following H, M or L can be used to cover more than a 1 week period.
3. In each of the following 4 strategies indicate the week (I I I) where an activity will be applied and provide a name on the line below that you can relate to with a note on the following lines to provide more detail if required.
